 Office - 973-239-3964 Mike's Cell - 973-332-6425  
 (M-F 8a-4p or by appointment)

## From the Lincoln Tunnel

Take the RT-3 WEST ramp (sign reads: "Meadowlands Sports Complex/Garden State Parkway/Secaucus") - go 11.1 mi

Take Rte. 3 West until it merges with Rte. 46. Then exit at Great Notch/Cedar Grove - (the exit is after the Exxon station & the Great Notch Inn, the first one you will come to after the Rte 3/46 merge)

At stop sign at end of exit, Turn left on Rifle Camp Rd - go 319 ft back over the hwy

Turn right at Notch Rd - (which will bend to the left, & then to the right) go to the traffic light (Church on right, Train station on left)

Turn left at the light, bear right at fork (.14mi) in the road, go .4mi to another light at Francisco Ave.

Turn right on Francisco Ave, go .7 mi to Cedar Grove Rd. (this is the turn right BEFORE a small bridge, also note a rail crossing at .37 mi....the sign says 15MPH & they mean it!...potential "Streets of San Francisco" stunts here!)

Turn left at Cedar Grove Rd, which changes names (you ARE in NJ) to Little Falls Rd. Continue on Little Falls Rd - go 0.8 mi (watch for NARROW train bridge!)

Pass Commerce Rd, the recycling dump, some tennis courts & basketball courts, cross another small bridge and make an immediate right into the industrial park. We're in the building in the back. Units 3 & 4, loading dock in the rear
